Approved For Release 2000/08/26 : CIA-RDP61S00750A000100060065-2

In the interests of completeness there are listed below the major problems of current concern to the Agency of which O/IC is aware but in which, for whatever reason, O/IC has not been participating.

25X1C4a [redacted]

2. Functional and working relationships involved in USCIB matters.

3. Definite Department logistical support for O/SO and O/PC.

4. Access by the Agency to JCS operational telegrams and arrangements to take account of US and combined strength and war plans as they affect estimates.

5. Coordination of counter-espionage activities including relationships between O/SO and FBI.

25X1X7 6. Coordination of intelligence activities overseas. (e.g., in [redacted] and the problems which may confront the Senior Representatives.

7. Coordination with intelligence agencies of other governments.
